

WHAT IS MACRA?

MACRA permanently replaces Sustainable Growth Rate (SGR) formula with a system that will prioritize quality over quantity and overall care for patients.

7 STEPS TO PREPARE

THE 2 PAYMENT OPTIONS

OVERCOMING MACRA'S ADMINISTRATIVE BURDEN WITH AN EDW

MACRA ADDS BURDEN

Analytics burden needs to be offset by clearly defined benefits

Physicians spend an average **15.1 HOURS/WEEK** processing quality metrics

IMPLEMENTING AN EDW

and providing tools to analyze performance will help providers and systems navigate the administrative burden

Time spent translates to an average **COST OF \$40,069 PER PHYSICIAN, PER YEAR**
